## Dear Christopher Radko Retailer:

Summer has come so quickly. Before you know it, it will be 2005 and my 20th anniversary year. I can hardly believe it. Your continued enthusiasm and support has helped me to expand my design horizons over the years, and I'm extremely proud of this year's mid-year offerings ... *a small preview of what's to come when Starad turns 20 in 2005.*

This catalogue is a companion piece to my 2004 Holiday Catalogue issued earlier this year. Together, they form a reference library for you and your customers, who will enjoy browsing through pages and special ordering the new mid-year jewelry and fabulous *new* candy introductions in addition to my glass ornaments and *Home For The Holidays* assortments.

Featured within are wonderful new mid-year introductions that are ready for Holiday delivery **this year**. New categories include sorority emblems and officially licensed *Red Hat Society*® ornaments. We welcome back *Muffy VanderBear*® in three different enchanting outfits and my ever popular annual ornaments are back in three dazzling 2004 styles. I've added two new pieces to the ever growing charitable collection, dedicated to raising awareness and funds for worthy causes; this year we showcase Literacy Programs and Alzheimer research foundations.

Over a dozen new *Little Gems* grace our pages, and the *Fantasia*™ phenomenon keeps growing with three dazzling new sets to please you. Because it's a presidential election year I've even offered some patriotic elephants and donkeys. Show your party preference or bi-partisan spirit by hanging them in your window and *don't forget to vote!*

To get the excitement building, you will find six 20th anniversary ornaments on the back cover. I went back to "my archives" and updated them for this special anniversary year. They are all limited editions. Each style is limited to 2,005 pieces and will disappear quickly, so don't delay!

Galaxy, Starlight and Rising Star stores, my premier retailers, have seven fabulous exclusives (page 4) just for their stores.

Feeling lucky? We have two wonderful sweepstakes opportunities. The popularity of the sweepstakes ornaments last year just shows how much we all appreciate the chance to win a prize.

Besides the four oversized Ltd. Editions created in the "Grand Tradition" (page 5), we've added three new wonderful Ltd. Edition Nutcrackers to the *Home For The Holidays* collection (page 23). In both cases, quantities are very small, so don't risk disappointment – order early.

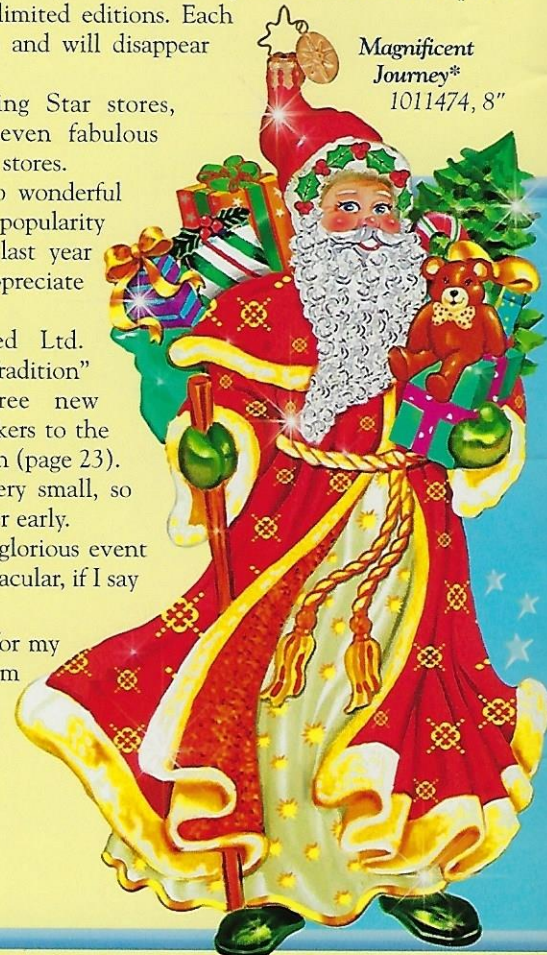

On this page you'll find my glorious event signing piece for 2004. It is spectacular, if I say so myself.

The momentum is building for my 20th Anniversary Collection. I am pulling out all the stops. As dazzling as my new selections are, "You ain't seen nothing" yet.

Yours truly,

*Christopher Radko*
