

Christopher Radka Presents

SHINY BRITE™

Welcome to Shiny-Brite™

where the warm remembrances of the past will inspire the memories of the future!

Unlike older European traditions, Shiny-Brite™ is about how America celebrated Christmas in the middle of the 20th Century. These faithful re-creations of vintage decorations are dedicated to those who kept the home front safe, and to their loved ones who created lasting family memories by keeping the home fires warm for years to come. So turn back the clock and celebrate Christmas – American style!

This year's assortment sees an increase in the number of collections and styles offered, with something for everyone. We continue to offer our popular mini, small, medium and large sets of boxed glass, new matching garlands and a number of new Shiny-Brite™ Tree Toppers.

All product in the 2011 collection follows the fill to order production schedule.
