Greetings!

We are pleased to present the 2010 Mid Year Introduction as well the 2011 Spring Preview Collection. We are so proud of the legacy we have created and thrilled to be approaching our 25th holiday season.

Inside these pages you will find several new and enchanting ornaments that are sure to inspire heart-warming holiday memories for years to come. Everything in this incredible selection radiates the exceptional artistry and quality that has made Christopher Radko legendary.

For this year's retail season, items like "Fancy Fella" and "Tons of Toys" exemplify the exquisite detail and traditional look that has been part of the Radko tradition for over two decades. Additionally, "Festively Fit" and "Urgent Delivery" bring out the whimsical side in holiday season that both our collectors and retailers love! As the calendar turns "Sweet Treats," "Furry Affection," and "Celtic Keepsake" are sure to be at the top of all Radko collectors list.

On the first page of this catalog you will see our new "Heart for Haiti" ornament that was created to give collectors and opportunity to give back to a nation in need following the great tragedy earlier this year. Christopher Radko will donate \$1.00 to Americares for each "Heart for Haiti" ornament that is purchased this year.

We hope that you enjoy the magic and sparkle of this collection as it is an extension of our very special 2010 collection and a glimpse into what is to come for 2011. In addition to the few specific pieces mentioned here, you will find many other delightful new ornaments with handcrafted details that also grace the pages of this exceptional catalogue. All items in this catalog will ship to retailers this fall for the 2010 holiday buying season.

As always, we appreciate your ongoing dedication and support and look forward to the coming holiday season. We are committed to your satisfaction and the tradition of unique, hand-crafted holiday heirlooms that has been our signature of excellence over the past 25 years. It is our honor to work with you as we continue to build the Christopher Radko brand as the premier name in fine holiday décor for the generations.

Best Wishes and Warmest Regards,

Heather Shepardson
